Coalition Priority Funding Review

During the Environmental Scan conversations, ZIP Coalitions discussed the **Priority Populations, Services**, and **Strategies** that their regions should focus on to help end the HIV epidemic and eliminate HCV. Based on those discussions and the corresponding work plans, ZIP Coalitions should indicate what organizations seeking funding should focus their efforts on in each of those categories.

Priority Populations

For each category, list the priority population(s) organizations seeking funding should focus their efforts.

Gender

Race

Age Group

Geographic Area

Exposure Category

Service Categories

Rate whether organizations seeking funding should place High (H), Medium (M), Low (L), or None (N) priority on the services listed below.

Core Services

	High	Medium	Low	None
Medical Case Management				
Medical Nutrition Therapy				
Mental Health Services				
OP/Ambulatory Health Services				
Substance Abuse OP Care				
Emergency Financial Assistance Food				

Support Services

	High	Medium	Low	None
Emergency Financial Assistance Food				
Emergency Financial Assistance Housing				
Emergency Financial Assistance Utilities				
Food Bank/Home Delivered Meals				
Housing				
Linguistic Services				
Medical Transportation				
Non-Medical Case Management				
Other (Professional Services)				
Outreach Services
