

## Coalition Priority Funding Review Region 6

During the Environmental Scan conversations, ZIP Coalitions discussed the **Priority Populations**, **Services**, and **Strategies** that their regions should focus on to help end the HIV epidemic and eliminate HCV. Based on those discussions and the corresponding work plans, ZIP Coalitions should indicate what organizations seeking funding should focus their efforts on in each of those categories.

### Priority Populations

For each category, list the priority population(s) organizations seeking funding should focus their efforts.

#### **Gender**

All genders

#### **Race**

Hispanic

**Age Group**

25-44

**Geographic Area**

Vigo, Putnam

**Exposure Category**

PWID (people who use injection drugs)

## Service Categories

Rate whether organizations seeking funding should place High (H), Medium (M), Low (L), or None (N) priority on the services listed below.

### **Core Services**

	<b>High</b>	<b>Medium</b>	<b>Low</b>	<b>None</b>
Medical Case Management	X			
Medical Nutrition Therapy			X	
Mental Health Services	X			
OP/Ambulatory Health Services			X	
Substance Abuse OP Care		X		

## Support Services

	High	Medium	Low	None
Emergency Financial Assistance Food			X	
Emergency Financial Assistance Housing		X		
Emergency Financial Assistance Utilities		X		
Food Bank/Home Delivered Meals		X		
Housing	X			
Linguistic Services			X	
Medical Transportation	X			
Non-Medical Case Management	X			
Other (Professional Services)			X	
Outreach Services		X		
Psychosocial Support		X		
Referral for Health Care Services				X
Substance Abuse Services (Residential)			X	

## Strategies

Describe the strategy(ies) that organizations seeking funding should engage in and/or support based on the priorities of the ZIP Coalition work plan.

- Community enhancement for folks who are Hispanic (community building, relationship building) that leads to stronger trust in provided services and organizations
- Increased outreach for services in rural communities to increase access to care
- Unique needs for rural populations
- Referral network (built by IDOH, similar to 211) to assist with service referral and provision
